Catnip Pump Spray

50110

Page 1 of 3

Section I. Product identification and uses		Section II. Hazardous ingredients
Product name	Catnip Pump Spray	
Chemical formula	Mixture	
Chemical family	Not applicable	
Material uses	To attract and stimulate domestic cats	

Section III. Physical data	
Physical state and appearance/Odour	Clear and yellowish liquid with characteristic odour
pH	5.0-7.0
Percent volatile	Not available
Freezing point	Not available
Boiling point	Not available
Specific gravity	0.9800- 1.0000 at 20°C
Vapour density	Not available
Vapour pressure	Not available
Evaporation rate	Not available
Solubility	Soluble in water

Section IV. Fire and explosion data	
Flash point:	Not documented
Flammable limits :	Not documented
Fire degradation products:	Not documented
Fire extinguishing procedures:	Only use water spray, apply vast amounts of water for cooling and dilution
Fire and explosion hazards:	Not documented

Section V. Reactivity data

Stability: Stable.
Hazardous decomposition product: Not documented
Incompatibility: Not documented
Reaction products: Not available. Product does not polymerize.

Section VI. Toxicological properties

Routes of entry

Effects of acute	Not known
Eye	May cause slight irritation.
Skin	May cause slight irritation.
Inhalation	May cause irritation of the respiratory tract
Ingestion	May cause adverse health effects.
Effects of chronic overexposure	No data.

Section VII. First aid measures

Eye contact	Immediately flush with copious quantities of water for at least 20 minutes holding lids apart to ensure flushing of the entire surface. If irritation persists seek medical attention.
Skin contact	Wash thoroughly with soap and water. Seek medical attention if irritation should develop.
Inhalation	Remove to fresh air. If irritation persists seek medical attention.
Ingestion	If swallowed, DO NOT induce vomiting. Give large quantities of water followed by several glass of milk if available. Seek medical attention. Never give anything by mouth to an unconscious person. If irritation persists seek medical attention.

Section VIII. Preventive measures

Protective clothing in case of spill and leak Standard work clothing

Spill and leak Stop leaks. Clean up spills immediately. Contain large spills and remove using vacuum truck. Soak up small spills with an adsorbent material and place in labelled waster container for disposal. Wear adequate protective clothing and equipment.

Waste disposal According to all applicable regulations.

Storage and handling Avoid contact with eyes, skin and clothing. Avoid breathing mist or spray. Wear chemical splash proof goggles, gloves and protective clothing when handling. Store at temperature of 5°C to 25°C.

Section IX. Protective measures

Protective clothing Rubber or plastic gloves. Chemical splash goggles or face mask. Protective clothing, apron, rubber boots. Do not wear contact lenses.

Engineering controls General ventilation is recommended.

Section X. Other information

Special precautions or comments None
